After the release of the magnificent opus “Black Vitriol & Iron Fire”, it is now time to dive back into the fervescent abyss and contemplate the previous works of THANATOMASS!
We hereby present you the band’s second work on LP, featuring exclusive bonus tracks.

For those still unfamiliar with THANATOMASS, this is sheer Black Metal violence, in the vein of Katharsis and Vorum. It smells of Death, it soars like Black and it crawls into your flesh like rot!
This is pure Metal of Hades!!
