Opis produktu

Originally released in 2009 and sold out for quite a while, Dutch death metal legend THANATOS' fifth album "Justified Genocide" presents bone crushing death metal with hard hitting thrash elements that has been remastered by Dan Swanö (Edge Of Sanity, Bloodbath, Asphyx etc.) and expanded with improved layouts, liner notes and a Sacrifice cover as bonus track on this excellent reissue. Featuring members of Hail Of Bullets, Asphyx, Melechesh you can expect a more than competently executed unholy massacre here!
