### Opis produktu

#### Gatefold 2x12" LP

"**Revelator**" the fourth full-length from Australia's **THE AMENTA** is the culmination of nearly 20 years' collective experimentation in nonconformist, dissonant, dynamic and electronically-lacerated Death Metal.

**THE AMENTA** have used their 7-year hiatus to methodically deconstruct and reimagine their already distinctive core sound: incorporating maximalist Industrial Black Metal ballast, disturbingly cinematic Ambient/Noise textures, treated violin, dread acoustics and circuit-bent electronics into the landmark record of a lauded career.

*Comes with a 2-page insert and a download card. Pressed on black heavy vinyl with laser engraved etching on side D.*
