Opis produktu

Red cassette
limited edition 100 handnumbered copies

Featuring the long-due return of Kvohst (Ex-Dødheimsgard/Code) on lyrics/vocals joining the cold, hypnotic riffs of Host (Thine), the primal drumming of Storm (Ex-My Dying Bride, Blasphemer) and introducing the bass playing of Thomas Eriksen (Mork), The Deathtrip offer tickets to primeval possession and open portals to other dimensions. Demon Solar Totem captures the spirit of ancient Darkthrone, Thorns and Beherit imbued with old-English occultism and the chanting of sacred sound formulas. Otherworld Black Metal eeriness for a deep dive into spectral realms, Demon Solar Totem will be released on November the 15th 2019.
