Opis produktu

Mid-price edition of the 1992 debut from **The Gathering**.

Always.... was The Gathering's first full-length album and is a prime example of classic atmospheric Death/Doom Metal with brutal vocals, slow funereal riffing (influenced by bands such as Celtic Frost), and keyboards that accentuate the overall dark ambience of the music.

2. Subzero
3. In Sickness and Health
4. King for a Day
5. Second Sunrise
