Opis produktu

THE HELLACOPTERS, one of Sweden's finest rock bands, are back with their ninth studio album, Overdriver. Celebrating 30 years of rock and roll.

After the huge success of their 'Eyes of Oblivion' album, which took the band to the stages of Ghost and Iron Maiden, the Swedes are back with an album that adds even more guitars, more leads and more hooks to their dynamic rock sound.

2025 sees THE HELLACOPTERS release another breathtaking album.
