Opis produktu

2025 deluxe repress

With the band being fully active again on the live (and recording) front, Cosmic Key Creations is making a big part of the bands discography available on limited and deluxe vinyl editions.
This is the IN TIMES BEFORE THE LIGHT debut album but in a different version than the original 1997 record. In 2002 it was completely remixed and partly re-recorded to fit better with the new musical direction of the band. It’s a very interesting and rare piece of work and now available again in a deluxe and very limited edition

250x Black
250x Orange with black smoke
Gatefold sleeve with reverseboard finish
black flood inside
Re-mastered for vinyl

Officially licensed from The Kovenant
