## Opis produktu

In conspiracy with Dark Descent Records, we have made a re-press of Beherit's legendary Down There... 12" which we first released in 2019. This pressing is identical to the first one. It's a heavy-weight 180g vinyl with the iconic Baphomet sigil etched on B-side.

In 2019 the record got sold out already during the pre-ordering stage, so here's a second chance to those who missed out back then on what can be rightfully called one of the most significant Finnish Black Metal recordings of all time.
