Opis produktu

Hailing from the ever-fertile Finnish scene, The Mist From the Mountains are a brand-new formation with a very old heart. Their chilling-yet-breathtaking ruminations harken to the golden days of melodic, nature-inspired black metal, back during the mid '90s. Names invoked include old Borknagar, Kvist, Arckanum, Old Man's Child, Norway's Gehenna, and even earliest Dimmu Borgir - but on evidence of their first public recording, the full-length Monumental - The Temple of Twilight, The Mist From the Mountains are well on their way to forging an odyssey all their own.
