Opis produktu

The debut full-length album from England's The Wolf Garden, "Woven of Serpent's Spines" follows the journey of one soul's prophecy foretold, journeyed, and concluded at an end that cannot be undone.

The album weaves together contemporary atmospheric black metal and old Norse tales, directly continuing on 2018's first EP, "The Yawning Abyss".

Format: Pro Tape, black, with 4-Panel J-card in clear case, lim. to 50 copies
