Producent	Sinistrari Records

Opis produktu

After 25 years in a psychopathic trance, THOKK resurfaces with their 1995 demo on CD format only for the true underground. Dark, cryptic black metal combined with dungeon synth tracks before it was trendy. Eight songs clocking in at 38 minutes guaranteed to satisfy. Includes members of ARGHOSLENT/GRAND BELIAL'S KEY, ex-CRUCIFIER, ex-TWISTED TOWER DIRE, ex-MORBIUS. This was recorded in 1994 and originally released on DIY cassettes.
