Opis produktu

THORNS: 'Vortex / Interface to God' shirt

(High quality Gildan Ultra Cotton shirt)

After years / decades of lacking official merchandise, we are very proud to be launching new shirts for one of the most important bands in the history of black metal history, Thorns.

Designed with the band's central protagonist Snorre Ruch, this shirt celebrates the masterful self-titled album from 2001 (the only Thorns album, at least until very soon...) as well as the logo of that era. The front features the iconic and otherworldly cover artwork by Halvor Bodin, while the backprint is comprised of lyrics.
