Opis produktu

7"+CD+Digital

"Une balle dans le pied" is the lacerating new EP from **THROANE**, the unsettling sonic incarnation of lauded multi-disciplinary artist *Dehn Sora*.

This latest work finds **THROANE** engaged in a particularly violent form of void surgery, as the diseased tissue of nightmarish Black Metal, wall-of-sound Doom, Industrial, Noise and Dark ambient is ripped, reformed and reanimated into a lightless chimera of savage beauty.

Comes in a silkscreened hand-printed sleeve with a black/silver merge heavy 7" vinyl, CD and download card. Once sold out, there will be no repress.
