Opis produktu

Hailing from the always-vibrant Polish black metal scene, THROAT are miasmic morbidity personified. While so many of their domestic contemporaries honor the paradigmatic sounds of the Temple of the Fullmoon, THROAT instead mine a wider, wilder style of black metal that looks both east and south. Theirs is a clanging, crunching sound that variously nods to Necromantia, Mortuary Drape, Hungary's Tormentor, early Samael, and fellow Polish iconoclasts Cultes des Ghoules: catacombed, ancient, unsettling.
