Opis produktu

Second opus of one of UK's finest BM outfits re-issue. Thus Defiled were originally formed in March 1992 with the aim of creating some of the most intense yet unique, bestial blackened metal within the extreme music scene. Through many years of evolution the band have expanded their style of black metal as the band members grew as individuals, but still hold true to their original dark, black metal roots. Remastered plus bonus tracks. Carefully restored original artwork and booklet.
