Opis produktu

Black and green sunburst 12" double vinyl (33 rpm) in gatefold. This edition includes bonus song "Töltés 23" (re-recording of the song Töltés), has an alternative lay-out.
Limited to 500 copies worldwide.

THY CATAFALQUE are delivering another spectacular musical mosaic with their eighth full-length, entitled 'Geometria'. The project's sole mastermind, Tamás Kátai has one again assembled pieces out of such diverse genres as ambient, folklore, jazz, metal, electronica, rock, pop, wave, and other styles that each taken for itself seems not to fit easily to the other parts.

For fans of SOLEFALD, ARCTURUS, BLUT AUS NORD, ULVER.
Artwork by Kátai Tamás.
