TITHE is a Portland, Oregon-based act that draws influence from many dimensions of dark, extreme music and themes to manifest their distinctive hypnotic, grinding death metal. Comprised of Matt Eiseman (Vocals/Guitar), Alex Huddleston (Vocals/Bass), and Kevin Swartz (Drums), the trio converges to create an arrangement even larger than the sum of its parts. "Communion in Anguish" expands upon 2023’s "Inverse Rapture" by amping up the aggression and doubling down on the unrelenting atmosphere of the previous record. The new addition of Alex Huddleston’s lower register growls combines with Eiseman’s distressed wails and Swartz’ driving rhythms to push the band into new sonic territory. Featuring artwork by Mitchell Nolte and produced/engineered by Keith Merrow at Merrowsound Studios, “Communion in Anguish” is the culmination of Tithe’s previous work and it delivers with its honed and lethal sound.
