Helter Skelter Productions (distributed & marketed by REGAIN RECORDS) is proud to present the re-issue of cult band Tomhet’s self-titled debut album on CD and LP formats.

One of Wagner Ödegård’s earliest black metal projects Tomhet’s debut LP was originally released in 2019 after years of high-quality demos. Now, this monumental work returns to the spotlight, re-issued on both vinyl and CD formats for both new listeners and for the die-hard fans who demand the finest sonic experience.

This re-issue includes the original album and also the powerful tracks from the 7" EP released in 2015, rounding out this essential collection of blistering riffs, haunting melodies, and guttural vocals. Every note, every shadow has been meticulously remastered by Devo Andersson at Endarker Studio, ensuring that these tracks hit harder and sound more immersive than ever before.
