Opis produktu

Black 12" vinyl (33 rpm) in printed inner sleeve in Jacket with double-sided poster (59cm x 42cm).
Second pressing 250 copies worldwide.

This cult classic was originally released as a demo in 1989.
Spearheaded by legendary vocalist Attila Csihar, TORMENTOR sounded more evil and rotten than the primitive heavy metal that was coming out of Hungary at the time. 'Anno Domini' still sounds like another darker dimension. Spilling with feral vocals, berserk drumming, gloomy synths and riffs that thrash like the inside of a torture chamber.
This album was worshipped by the second wave of black metal.

For fans of MAYHEM, BATHORY, MASTER'S HAMMER.
Artwork by Zsolt Machat.
