Opis produktu

Limited vinyl edition of the latest TOTAL HATE album. Mastered for vinyl by AOD / Temple of Disharmony.
Joint release with Eternity Records.

Total Hate unifies the essence of Scandinavian old school black metal. Emerging as kind of side-project back in 2000 they evolved to a full band playing gigs and tours. „Lifecrusher“ marks the 15th year of existence and proves the best album so far: crushing, honest Black Metal without any compromises. Recorded and mixed by A. Naucke (Omega Soul, Deathronation), Skjeld (Nyktalgia) and mastered by Patrick W. Engel at Temple of Disharmony.

“a raging, white-hot fury, propelled by seething, swarming riffs and turbocharged drumming, augmented by a vocalist whose jagged shrieks sound like a deranged killer being strangled with barbed wire.” - NO CLEAN SINGING

„Lifecrusher - Contributions to a World in Ruins consists of wrecking, well-played, trve old-school schwarzmetall. Quite killer. Simple as that. „ GORGERS METAL
