Opis produktu

Classic Jewelcase Edition

24x24cm fold-out booklet, including music download.

Total Hate returns with their 5th album in their 23-year band history. Uncompromising old-school black metal that once again has its roots in the Scandinavian black metal of the 90s.

On their fifth album, the Franconian black-metal-torchbearers do what they do best: Creating music from nostalgics for nostalgics, firing fastly against everything that comes their way. Or to put it with German author Wilhelm Genazino: „It doesn't take much to loathe the whole world."

Tracklist:
1. Black Division (Annihilate!)
2. Res Ad Triarios Rediit
3. Antichrislem's Realm
4. Of Worthless Lives
5. Immersed In Hellfire
6. Ignited By Hate
7. When Satan's Flames Blazed
8. Marching Towards Humanicide
