Total Hate returns with their 5th album in their 23-year band history. Uncompromising old-school black metal that once again has its roots in the Scandinavian black metal of the 90s.

On their fifth album, the Franconian black-metal-torchbearers do what they do best: Creating music from nostalgics for nostalgics, firing fastly against everything that comes their way. Or to put it with German author Wilhelm Genazino: "It doesn't take much to loathe the whole world."
