Opis produktu

TOXIC HOLOCAUST mutated into existence in 1999, when Joel Grind merged his love for classic punk and metal into his ideal band. Like his influences – Bathory, Venom, English Dogs, Possessed, Broken Bones - TOXIC HOLOCAUST featured blazing riffs, gravel-throated vocals, and a deadly fixation on the evil in man and a postapocalyptic world. Grind wrapped all of these elements up with a DIY attitude..

Side A :
Chemical Warlords / Black Out The Code / New World Beyond / Deafenend By The Roar / Time’s Edge

Side B :
Primal Future / Iron Cage / Controlled By Fear / Aftermath / Cybernetic War
