## Opis produktu

Second press from 2015’s reissue of Morbidest Reality (An Observation) from seminal Mexican Death Metal band TOXODETH. Originally released by Culebra Records in 1993, the long out-of-print sophomore release further cemented the band’s status as Mexican extreme metal trailblazers. The reissue contains 11 bonus tracks of unreleased material, demos, and live recordings, as well as a 16-page booklet that contains rare photos and flyers. The reissue was remastered by Dan Lowndes at Resonance Sound UK and comes with the revamped artwork and layout of Cesar Valladares (Under the Church, Eskhaton, Goddefied).

Comes in jewel case with an 16-page booklet featuring artwork and lyrics for all tracks, rare pics and exclusive bonus tracks. Limited to 500 copies worldwide.
