## Opis produktu

Invictus Productions is proud to reveal the cover artwork of the eagerly awaited second full length album, Of Sleep and Death, from Austrian Strigoi Transilvania! Created by Jaime Pascual Sanz, it reflects the thematic concepts throughout the album. Mixed and mastered by The Devil’s Mark Studio and blending the styles perfectly of ‘Storm of the Light’s Bane’ era Dissection with elements of Nifelheim, Tormentor and early Emperor, with a fresh, powerful take on the combined styles of Black and Death Metal, Of Sleep and Death is a blood feast of ghastly, ghoulish and grotesque Metal! Set for release as the clock strikes the chimes for the new year of 2021 on January 1st, it is available now for pre-order on LP, CD digipak and cassette along with a vinyl reissue of the debut album ‘The Night of Nights’ on LP with both releases shipping to customers beginning December 27th!
