Opis produktu

TRIBE OF PAZUZU is the brainchild of former Overthrow (and ex-Pestilence) bassist /vocalist Nick Sagias. TRIBE OF PAZUZU plays brilliant death metal in the vein of Morbid Angel, Pestilence or Cryptopsy. TRIBE OF PAZUZU also featured Canadian top drummer Flo Mounier (VLTIMAS, Cryptopsy) on drums and Sagias' long time American friends Randy Harris guitars (Macifecation) and John McEntee (Incantation, ex-Mortician, ex-Immolation (live),) on guitars. After 2 successful ep here is Tribe of Pazuzu's debut album 'Blasphemous Prophecies'. Artwork by Santiago Francisco Jaramillo/ Triple Seis Design (Lock Up, Pestilence, Unmerciful). Recorded, produced and mixed by Christian Donaldson at his studio(Kataklysm, Cryptopsy, Suffocation). Line up on this album: Nick Sagias: Bass & Vocals (Overthrow ex-Soulstorm, ex-Pestilence), Randy Harris: Guitars, Flo Mounier: Drums (Arise from Worms, Tribe of Pazuzu, Vltimas ex-Annihilator (live). Guest Vocals by Jorgen Sandstrom (The Project Hate, ex Grave, ex Entombed) and Luc Lemay from Gorguts on 'The Trial And Prosecution Of The Scorned Prophet'. Guest solos by Christian Donaldson (Cryptopsy) on 'Pazuzu Incarnate' & 'The Trial And Prosecution Of The Scorned Prophet'. All pictures by Ron Sumners (Slaughter, Canada).
