Opis produktu

CD in Jewel case with 8-page booklet.

When the trio announced splitting up in 2006, it left a huge gap for the many fans of Norwegian Black Metal. Therefore "Legion Helvete" became a highly anticipated release once TSJUDER announced their reunion last year. Next to DIMMU BORGIR, SATYRICON and IMMORTAL the three musicians from Oslo are one of the very few bands that manage to keep their roots in the harsh sounds loved by the underground but at the same time being able to write catchy melodies and great songs that make them appeal to the general Metal scene. Their fourth full-length stands proud witness to this development, which started with their first EPs "Throne of the Goat" (1997) and "Atum Nocturnem" (1999). The following debut album "Kill For Satan" (2000) as well as "Demonic Possession" (2002) and "Desert Northern Hell" (2004) brought critical praise to their enormous fan base. Join their ranks now!
