Tubal Cain (US) – Slime Abyss

Husband and wife duo, Alex and Kristine Drake, forged the core of TUBAL CAIN from the compressed sediment of decades in metal.
Original and traditional metamorphic stories, enshrouded in the occult and fantasy.
Echoing the heroes of early Black-, Thrash- and classic Metal, TUBAL CAIN embodies their own style... the true spirit of Raw School Street Metal!

With *Slime Abyss* TUBAL CAIN provide us with the perfect soundtrack for road trips on LSD or gatherings around bonfires praising the dark lord.
The American band's 2nd album convinces with memorable songs that are addictively catchy yet unpolished and rough at the same time.
Their curious brew should be checked out by anyone into well-written Metal with a dark twist.

Mastered by Patrick W. Engel at the Temple of Disharmony studio.
