Opis produktu

Limited to 300 copies, ships early May 2025.

30 years after it all started, Hammerheart Records presents the legendary 1995 Tumulus demo “Hymns and Dirges” finally on vinyl!

Germany’s Tumulus delivers raw, atmospheric Pagan Black Metal on their 1995 demo! “Hymns and Dirges” blends slow, doom-laden riffs with primitive viking melodies, dark acoustic passages, and a grim mix of clean vocals, growls, and chants.

Steeped in Germanic mysticism and Asatru ritual, this is bleak, unpolished, and hauntingly effective.

• “Hymns and Dirges” was the first Hammerheart Records release back in 1995
• First time on vinyl
• Tumulus is an active band again

For fans of: Bathory, Summoning, Falkenbach.
