Opis produktu

What would be the combination / hybride of **Infernal Majesty** and **Blasphemy**, two leading and intense extreme metal bands from Canada. And both are responsible for mile-stone albums in their genres. Well, when ex Infernal Majesty vocalist Brian Langley (also ex-Aggression, Canada) and guitar player Marco Banco (known as ‘The Traditional Sodomizer of the Goddess of Perversity’ from the cult Blasphemy album Fallen Angel of Doom....) joined to form band called **Tyrants Blood**, you will get close. This blasting death / black / trash metal band featuring Blasphemy / Infernal Majesty ex members released three full length albums and a handful of splits and ep’s. Vicrecords now re-issued the initially limited edition self-released third album ‘Into the Kingdom of Graves’ originally from 2013. Cover-art by Paolo Girardi (Firespawn, Aeon, Inquisition and Manilla Road) and liner notes by Brian Langley. Guest bass and mixed and produced by Martin Meyer (ex-Aggression, ex-Disciples of Power). Drums recorded by Terry "Sho" Murray (Infernal Majesty, 3 Inches of Blood).
