Opis produktu

Perversion, Disease and Satanic Sleaze is the charming third recording by Tampa's own perverts Tyrants of Hell.

Limited to 150 cassettes.

Covered shown above is the censored version of the artwork.

Toilet Ov Hell: this new recording will have you feeling like you just went through a reverse car wash. Featuring bouncing rhythms, slurred vocals, and exactly the kind of maniacal drumming you'd hope for.

Cadaver Garden: Each track is a well crafted offering of death riddled thrash that gets your head banging immediately. Perversion, Disease and Satanic Sleaze is a gritty, twisted and bloodied release, one that is sure to entertain and remain in your rotation for some time to come.
