Opis produktu

Comes in a 4-panel digipack w/ an 8-page booklet. First batch comes in black polycarbonate CD.

After triumphantly casting off the shackles of claustrophobic dissonance on 2020's lauded "***Stare Into Death and Be Still***", New Zealand unorthodox Death Metal legends **ULCERATE** up the ante even further with mind-bending 7th album "***Cutting the Throat of God***".

An acknowledgement that the band's most powerful and affecting material leans to the melodic side, this refined and hook-laden new record is a self-sufficient universe unto itself, a conflagration of inventively visceral Death/Black Metal where dizzying experimentation meets head-nodding abandon - obscenely twisted and addictive, heart-stopping in its depth of feeling.
