Opis produktu

Ulcerate Fester was a one of the early Dutch death metal bands from Almelo, The Netherlands, formed in 1989. After two promising demo's, 2 tracks on a Dutch compilation CD, the band released two full lengths. This compilation CD that includes the 2 demos recorded in 1990 and 1991 for true fans of Old European (Dutch!!) Death Metal. All songs are recorded and produced by Harry Weijering (Asphyx, Hail of Bullets) at Harrow Studios, Losser 1991, '92 and 1993. Bonus are 2 bonus tracks from 1991 and 1994. The booklet contains extensive liner notes and old and rare pictures. Ulcerate Fester members also played in Abrupt Demise, Anarchos, Eternal Solstice, Burning Hatred, Adetar, Jagannath and Etherial Winds. Remastered by Achilleas Kalantzis (Possessed, Vio Lence, Varathron).
