Opis produktu

Ulver's first two legendary Black Metal albums, "Bergtatt" & "Kveldssanger" are finally available again as separate vinyl LPs. Both releases have been remastered for vinyl by Jaime Gomez Arellano as in the long sold-out LP out box set "Trolsk Sortmetall" (2014) and - just as the latest 2019 reissues - come in gatefold sleeves and on 180gr heavy coloured vinyl. The "Bergtatt" 4page LP-Booklet includes a detailed written interview with Ulver's mastermind Kristoffer Rygg and the "Kveldssanger" 8page LP-Booklet includes sheet notes of the song "Ulvslakk". Truly classic Norwegian Black Metal pioneering art!
