Ulver (NOR) - Trolsk Sortmetall 1993-1997

Official 5-tape box with the complete works from 1993-1997 from this seminal Norwegian wolf pack. Housed in a heavy luxurious canvas case-wrapped box with hot foil stamp printing.

This box set is strictly limited to 1000 hand-numbered copies worldwide. The die-hard version (1-250 - only available in the DSR shop) comes in a white box with gold printing and white tapes.

The regular version (251-1000) in a black box with silver printing and black tapes.

Tape 1: *Vargnatt* (with live 1993 bonus track)
Tape 2: *Bergtatt*
Tape 3: *Kveldssanger*
Tape 4: *Nattens Madrigal*
Tape 5: *Rehearsals 1994 & 1995*

In addition to the five tapes the box includes:

- a massive hardcover book with all previous contents from the 2014 Century Media release, adding new and extensive interviews with Kristoffer "Garm" Rygg, Håvard "Haavard" Jørgensen, Carl-Michael "Czral" Eide, Stian "Shagrath" Thoresen, Jan Axel "Hellhammer" Blomberg, Ivar Bjørnson and Grutle Kjellson, plus additional texts and testimonials by key players from the metal scene and beyond
- metal-pin
- flag
- shaped backpatch
- four postcards
- five posters
- certificate signed by Kristoffer "Garm" Rygg (die-hard version only)
- replica of the first ever Ulver shirt (die-hard version only)

THIS is the regular version WITHOUT the signed certificate and the replica of the first Ulver shirt!
