Opis produktu

POZYCJA POWINNA BYĆ DOSTĘPNA OKOŁO 9-14 GRUDNIA !!!

This marks the third full-length album by the Costa Rican/German Black Metal band UMBRA CONSCIENTIA!

Built on the tension between relentless aggression and the cold, malignant atmosphere of its predecessor, the record moves into more claustrophobic territory, where violence and atmosphere are forced into a suffocating equilibrium. ‘The Shine of Thagirion’ is Umbra Conscientia at its most oppressive, without abandoning the aggression that has always defined the band.
