UMBRA CONSCIENTIA is a new project debuting on *Terratur Possessions*. Six tracks of extremely intense, well crafted, direct and aggressive Black Metal not unlike the greats such as *Katharsis* and *Funeral Mist*, but yet maintaining it’s own identity. I’m not a big fan of comparing bands and name dropping other acts, but seeing how this is a brand new band and release, I figured it couldn’t hurt to name two obvious inspirations to catch people’s attention out there. It’s truly an album worth checking out.
