Opis produktu

Ltd. Triple Gatefold black 2LP & LP-Booklet [2 LP]

“In the Forest of the Dreaming Dead” is UNANIMATED’s debut album which was released in 1993 on no Fashion Records. After numerous bootleg versions and countless mistakes in either the tracklisting or the layout, it is the first time that this classic piece of Swedish Black/Death Metal history is available in its full glory, but with a fresh remastering by Patrick Engel (Asphyx, Candlemass, Darkthrone) and extensive liner-notes by Chris Dick (Decibel Magazine, US). The vinyl comes in a Ltd. Triple Gatefold 2LP with an Etching on Side D (Coverartwork of “Fire Storm”) and 4-pages LP-Booklet. This format also includes a cover of the Venom classic “Buried Alive”, which was only available on the original pressing of “In the Forest of the Dreaming Dead” (1993).
