Opis produktu

Jewelcase CD w/ 8 page booklet.

Undead is hailed for their ability to mix an old school approach to death metal with the fresh stench of decomposing bodies without being sentimental or sounding outdated. Bringing in their wake an epidemic of killing and torture this new pestilence released upon mankind has a name: This Side of the Grave!

Combining good production with the vile, aggressive forces of evil, the band has a hunger for blood, gore and great sounding death metal. The two founding members A. Von Hell (guitars) and V. Repulse (vocals, guitars), being the main creative forces of the group, are joined by drummer Siebe Hermans and Pit Ov Despair on bass.
