Opis produktu

2025 Re-press on Black vinyl.

Introducing Undergang, the Danish kings of rotten Death Metal would probably be a pointless endeavour. Perhaps their most cult release “Indhentet af Døden, the debut full length, is a legendary recording of viscerally rotten carnage, and is now available again on vinyl through long term label Me Saco Un Ojo Records. An absolute essential for any Death Metal maniac, if you do not already own a copy (or if you do, but you’ve played it so much the grooves are smoother than your brain), don’t miss this fetid masterpiece!
