Opis produktu

Unholy's classic debut album of mesmerizing Doom Metal, presented on vinyl for the first time.

From the Shadows - released in 1993 - is known for possessing a dark textured Death/Doom Metal style mixed with unusual, often avant-garde, arrangements. Unholy’s willingness to experiment with sounds and moods helped create a strong and uniquely twisted atmosphere as slow pounding Doom Metal epics are aided by the presence of creeping synths.

Presented on double gatefold vinyl.
