Opis produktu

Collector's Edition in 6-panel Digipack, limited to 500 copies.

Urda Sot is an Atmospheric Black Metal project from Saxony in Germany. Conceptually inspired by nature with its swamps, bogs, forests and the old gods, the music itself is influenced by Black Metal, Dark Ambient and Nordic Folk. With ritual drums, wide soundscapes, extensive melody lines and distant screams, Urda Sot create a thick, misty atmosphere that draws the soul of the listener into the heart of a primal swamp.
