Opis produktu

DELUXE VINYL EDITION!!!

Back On Black Records are proudly reissuing "Threshold Of The Usurper", an EP originally released in 1997 by Chicago black thrashers USURPER, on limited edition coloured vinyl. Like the bands debut album "Diabolosis", the mix on this material is so mighty that it loses nothing to age, an unrelenting brute of awful anguish and creepy torment. A must have for fans of Celtic Frost, Warhammer, Hellhammer and Nifelheim.
