Opis produktu

A piercing and memorable debut full-length shrouded in darkness, its gloomy sound carries an ominous aura that wholly captures the essence of the powerful arrangements. Scornful wails, obscure guitar riffs and somber melodies set the tone for this opus, spews of madness that for its crude delivery display a superior sense of dynamics, from mid-paced and atmospheric to storming rhythmic sections.

Scornful wails, obscure guitar riffs and somber melodies set the tone for this opus. Raw Black Metal.
