Opis produktu

Almost 4 years after their debut album “Drapsdalen” Valdaudr returns with the mighty follow up!
“Du Skal Frykte” brings even more nostalgia and atmosphere from the past to the table. There's a bit more melodic touch to it, but in the right way. Often reminding of the great early Satyricon, Ulver and other scene pillars, this album still brings you back to the early 90's and the whole reason why we started enjoying this epic and majestic genre. Hail Norwegian Black Metal!
