Opis produktu

Propelled by the stunning guitar heroics of brothers Pete and Jake Adams, Virginia's **VALKYRIE** return with their third full length *Shadows*, one of the year's best guitar-driven, heavy rock records. Jam packed with harmonized leads, rich solos and melodic, blues-based riffs, **VALKYRIE** sound like the perfect blend of American style doom rock bands like Pentagram or Spirit Caravan and classic hard rock like Thin Lizzy, Wishbone Ash, and Deep Purple. Where Pete Adams' other band Baroness focuses more on the modern proggy and poppy side of metal, **VALKYRIE** looks to proto-metal trailblazers for influence while injecting plenty of current day inspiration. Produced by Sanford Parker (Pelican, Leviathan, YOB), *Shadows* is the perfect summer heavy rock record!
