Opis produktu

Albion's Beautiful Barbarians 10" Cafe Grossenwahn Records compilation featuring Ulver, Blood and Sun, Sol Invictus
Albion’s Beautiful Barbarians is a celebration of the Kindred of the Kibbo Kift, an inter-war scouting movement steeped in anti-militarist and utopian ideals and whose aesthetic has been described as “heathen futurism”. The ten inch record has specially commissioned cover art by Johannes Høie and tracks by Ulver, Jännerwein, Sol Invictus, Blood and Sun, Moineau and Tenhornedbeast. Insert with liner notes by Annebella Pollen, author of The Kindred of the Kibbo Kift: Intellectual Barbarians (2015) and art by Sverre Malling. Design, hand lettering and additional illustrations by Antumnos Studio.
