Opis produktu

- “This was amongst the wave of releases on Goatowarex that were all great examples of what was going on in the higher echelons of the underground at the time, but this one especially is excellent and should be praised as a classic of the time period. Raw, no-frills black metal with true emotion and also really great live.” – Neill Jameson

  Available for the first time ever on LP:

- 300 copies
- 180 gram black wax
- insert
