### Opis produktu

**Verminous Serpent** are a brand-new entity, but one bearing old souls: Slidhr's Joseph Deegan on guitar, Malthusian's Matt Bree on drums, and Primordial's A.A. Nemtheanga on vocals and bass, here exhibiting a frighteningly different side of his signature voice. While all three men hail from different yet equally considerable backgrounds, their sound as **Verminous Serpent** is completely its own creation - a headspace distant and mostly removed from their collective pasts & presents.
