Opis produktu

In the year 2019, born by the deviant imagination of the singer "Hatred Salander", Versatile came to the world in the lands of Geneva. This Swiss musical project draws its energy from the violent and dissonant arpeggios of Black Metal and the cold sounds of industrial music. Cradled by the dismal growls of Hatred, the abrasive riffs of Cinis and Famine (guitarists) and the frenetic hammerings of Morphée (drummer), this formation establishes a theatrical and unique visual universe deeply inspired by the Catacombs of Paris and the famous Court of Miracles. Under the banner of their world, their unique personalities invite you to join them on stage where tears, sweat and blood come together.
